

Some of the Problems

These are just some of the things that are making it difficult for animals to survive in BC...

- Smoke and pollution going in the air - Kinley
- People putting yucky stuff in the sea - Avalon
- Ice is melting - Bode
- People dumping garbage in the dump - Yuri
- Factories putting smoke in the air - Bailey
- People cutting down trees - Scarlett
- Forest fires near animals' homes - Hayden
- People taking animals' homes - Lucas
- People put garbage in the ocean - Riley

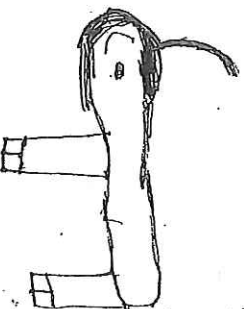

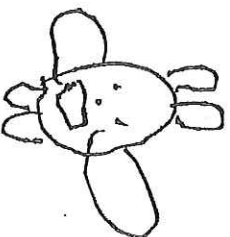

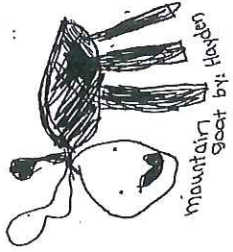

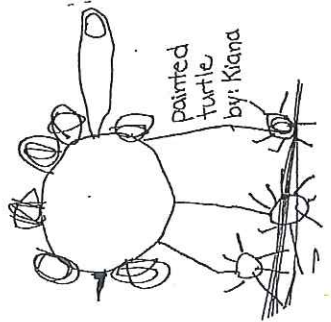

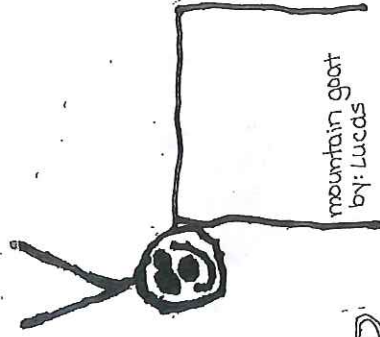

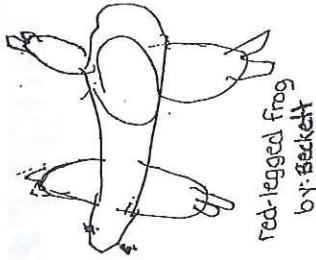

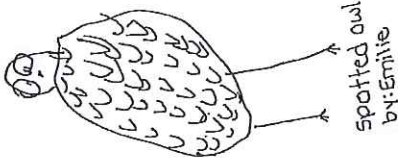

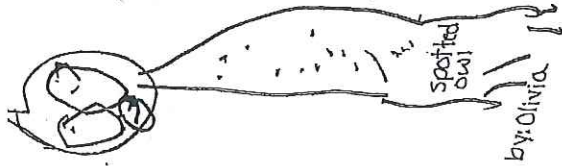

We are

Endangered!

Did you know there are over

1,500 at risk or endangered species in BC?

Ways You Can Help!

The good news is there are many things you can do to help protect these animals. Together we can make a difference!

- Use reusable bags - Beckett
- Don't waste paper - Koston
- Pick up garbage out of the ocean - Kiana
- Water plants - Emilie
- Plant trees and don't cut them down - Koston
- Ride your bike - Ryder
- Help baby turtles get to the water - Olivia
- Don't cut down trees - Jeevan
- Build a bird house and feed birds in winter - Isaac
- Recycle - Ben
- Walk to school - Violet
- Plant food that animals and people eat - Holly
- Pick up garbage - Logan
- Use both sides of the paper - Bode
- Don't waste water - Annie
